Student CSA

for fall, 2017

Dear interested student.

We would like to offer you fresh certified organic local veggies and herbs. Our student share has in mind that you have different timing than our regular CSA.

The weekly share starts August 29th, with a mix of summer veggies and by October 18 we go into winter share veggies.

A typical September, October box would have:

2lb potatoes, 1lb carrots, 1 lettuce, 2 zucchinis, 1 summer squash, 1-2 cucumbers, 2-4lb tomatoes, 1lb beans, 1 garlic, 1 bunch of herbs, 1lb of onion, later on there would be kale, leeks, winter squash...\$

A typical November, December box would have:

2lb of potatoes, 1.5lbs of carrots, 1 lb. of onions, 1 garlic, 1/2lb of parsnips, 1/4lb of celeriac, 1/2lb of beets and any greens still not counting fall break and Thanksgiving week.

The total for the student fall share is \$275, (\$10 discount if paid in full in May.)

Bags will be given out weekly as you may not have much storage ability.

We hope that you enjoy the fresh veggies direct from the farm to you,

Peace, Dulli
