In the field

Dear CSA interested friend:

Birdsfoot Farm has been growing certified organic vegetables, flowers, and herbs for over 40 years. In addition to our lively CSA we also sell at the Canton Farmers Market, the Potsdam Food Coop, Natures Storehouse and North Country Grown Cooperative. Birdsfoot Farm is an intentional community of eight adults and three children. The Veggie Business is set up as a partnership with seasonal workers that grow the freshest, high quality local food for you.

What is a CSA?

CSA is a commitment from the grower to provide in-season vegetables to the members. Members pay the farmer up front, or in an installment plan, and pick up vegetables weekly.

(We do accept food stamps.) The benefit to the farmer is a guaranteed market and a connection to the customer. In return, the member receives fresh, local, in-season, certified organic vegetables and herbs and a relationship with the farmer. If there is a shortage of a crop, other crops of the same value may be substituted. If there is an overflow, members might get extra. There may also be larger quantities for freezing and canning at wholesale prices.

November through January we offer the winter-share with six pickups, every two weeks.

If you are interested in supporting your local farmer, contact us. Don't worry about what to cook for dinner; the answer lies in your box. This year we plan to have 60 members.

A personal note: For me, farming is a passion. Sometimes it is repetitious and tiresome but there is always something new to learn and I feel in harmony with the soil and plants. Farming is a way of living. Farming grows good food for people and is a service to the greater community, as well as a source of income that provides opportunities for generations to come. –Dulli

___ I would like to pay with food stamps, beginning either Tuesday June 5 or Friday June 9 at the Canton Market through Garden Share)

Late fee +\$10 if paid after April 30th (except food stamp payment)

Member Agreement:

Members of the CSA will receive a weekly share with 7-12 items. The share will vary in size and weight depending on the time of the season. One aspect of CSA is that members support their farmer by sharing the risks (poor weather, drought, disease, early frost, crop failure, etc.) and rewards (the bounty from a good season) involved in farming. Birdsfoot uses techniques that protect the harvest such as growing a wide variety of crops that thrive in different conditions and using crop rotation to avoid disease. We also cover crops to protect against pests and to extend the growing season, cover crop over the winter, and irrigate in dry times. If there is still a crop failure of one crop, it will be substituted with another crop of similar value. If there is a total crop failure, the members will not be expected to pay for the season. The goal is to build a relationship of trust between the members and the farmer. On the whole, members will get a variety of vegetables in plentiful amounts. There is no guarantee of the exact amounts or types of produce the members will receive in their shares. By participating in the CSA, members are supporting their local farmers as well as helping to create a more environmentally just, economically fair and healthy society.

The share costs are for growing food. This year there is no membership or administrative fee. There is a charge for delivery to Potsdam and Canton that cannot be paid with food stamps and will be charged separately for members paying with food stamps.

If a share is not picked up by a member it will be donated to another family or the Canton Neighborhood Center. Shares will not be saved for members unless an arrangement has been made.

Member Signature _____ Date _____

email: birdsfootfarm@gmail.com

Please make checks payable to Birdsfoot Farm and mail to 1263 CR25. Canton. NY 13617

Additional (optional) opportunities to participate in the CSA and on the farm by working 3 or more hours during the season to help out with the CSA.

I would like to help with:

- Weeding or harvest
- Newsletter
- Garlic festival (mid-July)
- CSA delivery

Specific dates I could work: _____

Newsletter

We distribute a newsletter with stories from the farm, important information and dates, and recipe ideas for our members most weeks of the CSA. Would you like to receive this newsletter over email?

Email where you'd like to receive the newsletter: _____

Questionnaire (optional)

1. How many in your family? Adults _____ Children (age) _____

2. How often do you eat out?

3. How often do you eat meat?

4. Do you have a garden? _____ What do you grow?

5. What vegetables or herbs are favorites in your house?

6. What vegetables could you do without? _____

7. Do you have any allergies or other food issues? _____

8. If you freeze or can food for the winter please check the items below that you might want to buy in bulk.

We will contact you if any bulk items become available.

tomatoes spinach basil beans cucumbers other, please specify

9. Other comments, requests, questions, concerns:

Looking ahead – We also offer a 14 week winter CSA, starting on October 20th. We deliver bags of root vegetables every two weeks. A typical bag would include tomatoes and kale as long as they last, carrots, onions, potatoes, garlic, cabbage, beets and winter squash with an option for parsnips, and celeriac. Are you interested in the winter CSA? _____
