

March 2014

Dear Season Ticket Friends,

I would like for you take a few minutes to give some feedback on how the season has gone for you.

- a. Was there enough food in your box?

- b. Is there any food you would have liked to see more or less of?

- c. How did the pick-up work out for you?

- d. Do you think you will want to enroll next year again?

- e. Do you have any suggestions on how we can make the CSA even better?

Please return the questionnaire with your box or mail it to 1263 CR 25, Canton, NY 13617.

-May the love and vigor of these garden veggies live in you.-

Peace, Dulli
